## News & Updates from SBAC

For the past few months, the keyword has been "adaptability." We have been blown away by the way small businesses have adapted their operations and plans in the wake of an unprecedented pandemic. At SBAC, we too have adapted the programs we offer, focusing on emergency loans to keep small businesses in our area afloat, as well as adapting the way we do business to keep everyone healthy.

As we all start to look towards the future, SBAC will continue to adapt. While we are still accepting Paycheck Protection Program applications, we also offer our full suite of 14 different loan programs that can help businesses move forward and grow.

Stay strong,

Tony O'Reilly
